### TERMS

1. The agreed upon price per month is a fixed rate regardless of the amount of snowfall.
2. Any snowfall 1/4 " or over is considered removable.
3. Snow clearing will be complete within 24 hours of the end of the snowfall. Timing of snow clearing depends on when the snow starts and when it stops.
4. When road conditions are hazardous or during large snowfalls a slower response time will result.
5. In a continuous snow storm, the snow is removed once a day until the end of the snowfall
6. No changes to service dates permitted after November 1. Start date on 1st or 15 only.
7. Client is responsible for all snow that falls and any snow/ice buildup before and after the contract dates.
8. It is property owner's responsibility to clear any ice caused by melting snow or melt/freeze temperatures causing ice.
9. Any snow piles or "windrow" caused by city plows are City responsibility.
10. Services will be delayed on December 25 and January 1.

NOTE: we are fully bonded and insured

I understand and agree to the terms and conditions of this contract.
